

The BMIG is for all those interested in **centipedes, millipedes** and **woodlice**. Members are able to attend the Annual field meeting (including the Annual General Meeting) and other meetings organised by the group and will also receive two issues of the BMIG newsletter each year by email. The BMIG also produces an annual Bulletin. See www.bmig.org.uk for more details.

Membership is FREE – so why not join

I wish to become a member of the British Myriapod and Isopod Group

Name:

Address:

.....

Post code: Country:

Telephone no: Email address (please write clearly):

.....

Interests (please tick relevant boxes)

Centipedes

Millipedes

Woodlice

Other myriapods

Please specify

Do you have any skills that would be useful for BMIG?

.....

How did you find out about BMIG?
